Re: Consent to include lands in Cork City Council control and/or ownership in a proposed Strategic Housing Development (SHD) at Phase 2 The Farm, Bessborough, Ballinure, Blackrock, Cork

Dear Conor,

I refer to your proposed SHD planning application on behalf of Estuary View Enterprises 2020 Ltd. The proposed development is to undertake some infrastructure works on part of the public road and greenway within the red line boundary.

The works are to include

- Provision of a new inlet sewer from the proposed development to the existing wastewater pumping station to the west.
- Provision of a pedestrian/cycle crossing to the east of Bessborough Estate.
- Upgrades to the pedestrian crossing to the north of Bessborough Estate.

I confirm that Cork City Council hereby consents to you including lands in its control and/or ownership including the works proposed in your planning application.

As the proposed works for the development have yet to be agreed by the issuing date of this letter, I would like to note that this letter is being issued without prejudice to the actual proposed works which themselves are not required to be agreed prior to the issuing of this letter.

This consent is being issued solely to facilitate this application for planning permission only for the above- mentioned proposed development. Please also note that it is being issued strictly subject and without prejudice to the following:

- (i) Consideration of the said SHD planning application by An Bord Pleanála,
- (ii) Adherence to and compliance with all planning conditions, bonds and planning contributions that may apply to the final grant of permission.
